# Friday Health Plans Benefits Overview

Friday Health Plans are ACA-compliant—we include all essential health benefits and do not exclude anyone for pre-existing conditions.

**Copay:** A copay is a fixed dollar amount you pay for certain covered health expenses, usually at the time you receive services (for example, a \$25 copay for an office visit). Copays do not count toward your deductible.

**Deductible:** The amount you pay for all your covered health services in a year before your insurance begins to pay for your health care.
